INTRODUCTION

B. The Trust Deed was further amended on 22 June 2007 to create an umbrella trust called the Medical Assurance Society Retirement Trust ("Trust") and to establish a registered KiwiSaver scheme called the Medical Assurance Society KiwiSaver Plan ("Scheme") within the Trust.

C. The Trust Deed was further amended on 5 April 2012, 21 September 2012 and 22 March 2013 ("Existing Trust Deed").

D. Under clause 18(1)(a) of Schedule 4 of the Financial Markets Conduct Act 2013 (Act) an interest in a KiwiSaver scheme continues to be registered in the KiwiSaver Scheme register during the transition period.

E. Under section 4(1)(d) of the Financial Markets (Repeals and Amendments) Act 2013, the Superannuation Schemes Act 1989 was repealed on 1 December 2014.

F. Under clause 18(1)(b) of Schedule 4 of the Financial Markets Conduct Act 2013 (Act) and clause 13 of Schedule 1 of the Financial Markets Conduct Regulations 2014 (Regulations), an interest in a superannuation scheme continues to be subject to the Superannuation Schemes Act 1989 during the transition period.

G. Under clause 19 of Schedule 4 of the Act, the transition period is the period commencing on 1 December 2014 and ending on the close of the day before the earlier of the following dates:
   (a) the date that the issuer of the security elects (in the case of interests in the Plan and the Scheme, the issuer is the trustees of the respective schemes), or
   (b) 1 December 2016.
H. By the end of the transition period, the Plan and the Scheme must comply with the governance requirements of the Act and be registered under the Act. One of the governance requirements is that the Existing Trust Deed as it applies to the Plan and the Scheme must comply with the requirements of the Act.

I. The Trustees wish to amend the Existing Trust Deed with effect from the Effective Date by rescinding the Existing Trust Deed and immediately replacing it with this deed in respect of the Scheme (and a separate replacement trust deed in respect of the Plan) in order to incorporate such provisions as may be necessary or desirable for compliance with the FMC Act as well as make certain other amendments.

J. The Trustees are satisfied that the amendment and replacement of the Existing Trust Deed by this deed is permissible without the written consent of the Members being required under either the KiwiSaver Act or clause 22.1 of the Existing Trust Deed and that all requirements of clause 22 of the Existing Trust Deed have been complied with in relation to the amendment and replacement.

K. The Founder consents to the amendment as evidenced by the signature of the Founder attested hereto.

L. The Trustees are satisfied that this deed when it takes effect will comply with the requirements of the FMC Act.

Subject to clause A9.2(a) below, those amounts shall be calculated in accordance with the provisions of clause A19B.

A9.2 Different method of calculation

Subject to clause A9.1, the Trustees:

(b) In respect of any moneys subject to an Investment Direction (but subject to clause A12.1(a)) such amount shall be invested in Units in accordance with the Investment Portfolio Objectives of the Investment Portfolio to which the Investment Direction relates.

A12.2 **Standard of care:** Notwithstanding the foregoing and anything to the contrary in section 13D(1) of the Trustee Act 1956, any Investment Manager shall, in exercising the power of investment, exercise the care, diligence, and skill required of that person by section 13B or section 13C of that Act, as is applicable. Any Investment Manager appointed by the Trustees to exercise their power of investment must, in exercising those powers, or performing those duties, exercise the care, diligence and skill that a prudent person engaged in that profession would exercise in the same circumstances.

A12.3 **Establishment of Investment Portfolios:**

(a) As at the date of this Deed the Trustees in consultation with the Founder have established several Investment Portfolios. Notwithstanding the establishment of separate Investment Portfolios and the provisions of clauses A12.5 and A12.7, but subject to clause A20.1(b)(iii), there shall only be one Fund in respect of the Scheme.

(b) The Trustees may with the written consent of the Founder add other Investment Portfolios to the Scheme or may delete an Investment Portfolio or portfolios from the Scheme. If the Trustees delete an Investment Portfolio, Members investing in that portfolio will be required to switch to other Investment Portfolios. Any such switch will not incur a Switching Fee.

A12.4 **Member’s Directions:**

An applicant for membership of the Scheme shall give the Trustees a written direction as to the proportion in which Contributions and other ongoing amounts which are allocated to the credit of their Member Account which become available for investment are to be invested in Units in each Investment Portfolio. The direction must be in respect of 100% of the applicant’s ongoing Contributions and will also apply to ongoing amounts which become available for investment unless the Member directs otherwise at the time additional investments are made.

A12.5 **Trustees to Invest in Accordance with Investment Direction:** Upon accepting an application for membership, the Trustees (but subject to any subsequent varied Investment Direction approved by the Trustees pursuant to clause A12.7) shall invest the Contributions made in respect of a Member and any other amounts from time to time available for investment in Units in each Investment Portfolio in accordance with the proportions stated in the Investment Direction.

A12.6 **Contributions to the Scheme where no Investment Direction:** Where a Member of the Scheme does not have a current and fully operative Investment Direction and until the Member provides such an Investment Direction to the Trustees, the Trustees may:

(a) Subject to the KiwiSaver Act, refuse to accept any Contributions from the Member; or
(b) Accept Contributions from the Member and, at the Trustees discretion, invest those Contributions in Units in an Investment Portfolio or portfolios and in such proportion as the Trustees determine.

A12.7 Amendment of Investment Direction: A Member may at any time vary the Investment Direction with the prior approval of the Trustees in respect of future Contributions or future amounts standing to the credit of their Member Account which are available for investment. Such variation will be in a form prescribed by the Trustees from time to time and shall be effective from a date no later than 21 days after the Trustees receive written notice of the variation.

A12.8 Transfer Between Investment Portfolios of Scheme:

(a) Subject to the consent of the Trustees a Member may transfer all or part of a Member's interest in one Investment Portfolio to another Investment Portfolio or portfolios within the Scheme on giving notice in writing to the Trustees in such form as the Trustees may from time to time prescribe whereupon the Trustees shall realise and transfer all or part of the Member's interest in the relevant Investment Portfolio of the Scheme, making, at the discretion of the Trustees, provision for Tax, PIE Tax or any other amount the Trustees consider appropriate, and reinvest such realised amount in Units in another Investment Portfolio within the Scheme (as applicable) nominated by the Member.

(b) Members shall be entitled to one free switch per Financial Year. Switches not used shall be forfeited. Any amount payable for a Switching Fee will be deducted from the Member Account by the cancellation of Units in accordance with clause A19.10. The Trustees may in their absolute discretion waive payment of a Switching Fee in any particular instance.

(c) A transfer of a Member's interest in an Investment Portfolio pursuant to the terms of this clause may be postponed or effected over such period as the Trustees consider prudent if the Trustees (in their absolute discretion) consider that it is in the best interest of all Members with Units in the Investment Portfolio from which the Member is transferring to ensure the stability and continued viability of that Investment Portfolio and its investments.

A12.9 Investment Directions: An Investment Direction by a Member under clause A12.5 is a direction by the Member pursuant to Section 13G of the Trustee Act 1956 subject only to the terms of this clause.

A12.10 Member's Interest in the Investments of an Investment Portfolio:

(a) All investments held in an Investment Portfolio shall be held by the Trustees for the benefit of the Members and the Reserve Account in respect of the relevant period they had or have Units in that Investment Portfolio.

(b) All profits, losses, costs and expenses made or incurred and identified by the Trustees as relating to a particular Investment Portfolio shall be borne by that Investment Portfolio or the Members and the Reserve Account to the extent they had or have Units in that Investment Portfolio as the Trustees consider appropriate. Any costs, profits, losses and expenses not attributable to a particular Investment Portfolio shall be allocated across all Investment Portfolios of the Scheme or to all Member Accounts and the relevant Reserve Account pro rata based on amounts designated for each
Investment Portfolio in each Member Account and the relevant Reserve Account.

A12.11 Investment of Reserve Account: The balance of the Reserve Account available for investment shall be invested in Units in such Investment Portfolios of the Scheme as the Trustees determine from time to time with full power to transfer such investments to Units in the other Investment Portfolios.

A12.12 Units Register: The Trustees shall maintain a register or other suitable record of investments of the Scheme in which the Trustees shall record the Unit holdings which are for the time being included in the Scheme and in respect of each Investment Portfolio and such other information as the Trustees shall determine.

A12.13 SIPO: The Trustees must ensure that there is a SIPO for the Scheme that complies with Financial Markets Legislation.

A12.14 Limit breaks: The Trustees must report to the FMA any material breaches of any limits under a SIPO to the extent required by Relevant Law.

A12.15 Pricing errors: The Trustees must report to the FMA in relation to any material error in the calculation of a managed investment product or material non-compliance with any methodology for pricing managed investment products set out in this Deed or notices issued by the FMA, and must correct such error or non-compliance and take any prescribed steps, to the extent required by Relevant Law.

A12.16 Subject to Relevant Law, for the purpose of clause A12.15 a “material error” (unless the Trustees agree otherwise from time to time) is an error that equals or exceeds 0.30% of Member’s Net Value:

A12.17 If, under Relevant Law, reimbursement and compensation is payable to a Member or former Member, the Trustee must comply with all their obligations under those requirements except that the Trustee may choose not to pay any reimbursement or compensation to a Member or former Member for an amount less than $20 (or such other amount as the Trustee may agree from time to time).

A13 RELATED PARTY BENEFITS

A13.1 Subject to clause A13.2, the Trustees (and any Investment Manager, Administration Manager or other person to whom the Trustees have contracted out some or all of its functions as manager) must not enter into a transaction that provides for a Related Party Benefit to be given.

A13.2 Clause A13.1 does not apply to a transaction or series of transactions if one of the following applies and the Trustees (with the consent of the Licensed Independent Trustee) certify to that effect:

(c) the transaction or series of transactions are in the best interests of the Members; or

(d) section 174 of the FMC Act applies to the transaction or transactions or all Related Party Benefits to be given; or

(e) the transaction or series of transactions are approved by or contingent on approval by a Special Resolution of the class of Members affected or potentially affected by the transaction or transactions.
A13.3 Subject to Relevant Law, the Trustees (or any person to whom the Trustees have contracted out some or all of its functions as trustee) must not acquire any new In-House Asset if, as a result of the acquisition, the Scheme would have, or increase, an In-House Asset ratio of 5% or more in relation to any Related Party or Member.

A14 TRUSTEES’ FUNCTIONS, DUTIES AND POWERS

A14.1 Trustees' Functions: In accordance with the FMC Act, the Trustees are deemed to be the manager of the Scheme. Furthermore no Security Transactions shall be entered into if the result will be that the total amount owing under the Security Transactions will exceed ten per cent of the gross value of the Assets of the Scheme.

DELEGATION BY TRUSTEES

Delegation: The Trustees may authorise any person or persons to act as its delegate (in the case of a joint appointment, jointly and severally) or contract any person or persons to perform any act, or exercise any discretion within the Trustees' power. The authorisation must be written. In doing this:

(a) the Trustees must take all reasonable steps to:

(i) ensure that those functions are performed in the same manner, and are subject to the same duties and restrictions, as if the Trustees were performing them directly; and

(ii) monitor the performance of those functions; and

(b) the delegation or contracting out does not affect the liability of the Trustees for the performance of those functions.

The Trustees may include provisions to protect and assist those dealing with the delegate in the authorisation as the Trustees thinks fit. The delegate or contracted party may be a Related Party of the Trustees.
TRUSTEES’ FEE AND REIMBURSEMENT OF EXPENSES

A17.1 Trustees’ Fee: Subject to the KiwiSaver Act, the Trustees shall be paid out of the Fund in respect of their services under this Deed a fee equal to an amount agreed between the Trustees and the Founder, such fee to be reviewed annually provided that the Trustees may waive payment of any fee or part of any agreed fee from time to time in accordance with any arrangement from time to time agreed with the Founder.

The Trustees may agree such fees and agree from time to time to vary such fees.

A17.4 **Withdrawal Fee:** Subject to the KiwiSaver Act, as applicable, where an application for early withdrawal is received by the Trustees in respect of the Scheme the Trustees shall be entitled to charge and deduct from the Member's Account a Withdrawal Fee in respect of the withdrawal. The Trustees may, with the consent of the Founder, waive all or part of the Withdrawal Fee in their absolute discretion.

A17.5 **Deductions from Member Accounts:** Without limiting the foregoing, and subject to the KiwiSaver Act, as applicable, the Trustees may deduct from a Member Account the following fees:

(a) Any Withdrawal Fee authorised under this Deed to be deducted from the Member Account.

(b) On an amount standing to the credit of a Member Account being switched from one Investment Portfolio to another Investment Portfolio, an amount not exceeding the Switching Fee.
A18 TRUSTEES' POWER TO REVIEW FEES AND OTHER AMOUNTS

A18.1 Review: Subject to compliance with clause A28.1, and Relevant Law, the Trustees may at any time increase or reduce the amount of any penalties, fees or other charges payable by a Member or from the Scheme pursuant to this Deed.

A18.2 Date of Reduction: In any case where the Trustees reduce the amount of any penalties, fees or other charges pursuant to clause A28.1, the reduction shall take effect from a date determined by the Trustees.

A18.3 Date of Increase: In any case where the Trustees determine to increase the amount of any penalties, fees or other charges pursuant to clause A28.1 then the increase shall become effective from a date determined by the Trustees subject to all Members affected by such increase being given not less than one month's prior notice in writing of the new penalties, fees or other charges or amounts, and subject to compliance with Relevant Law.

A19 UNITISATION

A19.1 The Trustees will operate each Investment Portfolio on a unitised basis.

A19.2 The beneficial interest in each Investment Portfolio will be divided into Units (including, if the Trustees so determine, fractions of Units) which may be consolidated or divided in such manner as the Trustee may from time to time decide.

A19.3 All Units referable to an Investment Portfolio will be of one class and confer identical rights and interests.

A19.4 A Unit will not confer any right or interest in any particular Asset that is attributable to, and that is comprised in, the Investment Portfolio to which it relates and no Member is entitled to require the transfer of any of the assets to the Member.

A19.5 In the case of Units issued on establishment of each Investment Portfolio, the initial Unit Price will be $1.00.

A19.6 After establishment of each Investment Portfolio, the Unit Price for each Investment Portfolio will be determined on each Valuation Day by dividing the Net Value of the assets of the relevant Investment Portfolio by the number of Units then on issue in respect of that Investment Portfolio. For the avoidance of doubt, the assets used to determine the Unit Price on a Valuation Day will:

(a) not include amounts received from which Units are to be but have not been issued; and

(b) include amounts deducted, transferred or withdrawn from Member Accounts for which Units are to be but have not been cancelled,

at the time of such determination.

A19.7 Subject to clauses A19.8 and A19.9, the Trustees will in respect of:

(a) each Contribution and other amounts received by the Scheme from or in respect of a Member (including, if applicable, any Crown Contribution or rebate in respect of tax credits or tax losses);

(b) any amount transferred into the Scheme from another KiwiSaver Scheme in respect of a Member;
(c) any amount transferred into an Investment Portfolio of the Scheme from another Investment Portfolio within the Scheme under clause A12.8;

(d) any amount transferred to the Reserve Account;

(e) any other amount received by the Scheme which the Trustees consider should give rise to the issue of Units,

issue Units to the relevant Member in the relevant Investment Portfolio or Investment Portfolios or to the Reserve Account based on the amount received or transferred (net of any amount that the Trustees consider appropriate to deduct for fees, Tax, etc.) at the relevant Unit Price or Unit Prices at which Units are issued on that day.

A19.8 Without limiting clause A19.7 and subject to the KiwiSaver Act, the Trustees may delay the conversion into Units under clause A19.7 of any Contributions accepted into the Scheme in respect of a Member or group of Members until such time as the Trustees are reasonably satisfied that those Contributions do not exceed the amount required to be paid to the Scheme in respect of the Member (or those Members collectively) under the KiwiSaver Act and this Deed and have not otherwise been paid in error.

A19.9 Without limiting clause A19.6 or any other provision of this Deed (but subject at all times to the provisions of the KiwiSaver Act and clause A23.1), the Trustees may determine at any time or times that from a specified date no further Units will be issued pursuant to this Deed, or in relation to a specified Investment Portfolio or Investment Portfolios, either:

(a) for a specified period; or

(b) until the relevant Investment Portfolio or Investment Portfolios, or the Scheme, is or are terminated;

and in that case the Trustees will not, after the date specified and for the period contemplated by paragraph (a) or paragraph (b) (as applicable), issue any further Units under this Deed or in relation to that Investment Portfolio or such Investment Portfolios.

A19.10 The Trustees will in respect of:

(a) amounts deducted from Member Accounts and/or the Reserve Account to meet fees, charges, costs, expenses, or premiums payable that may be deducted to the Member Accounts and/or the Reserve Account;

(b) amounts transferred out of the Scheme to another KiwiSaver Scheme;

(c) permitted withdrawals or Benefits (as applicable);

(d) any amount transferred from one Investment Portfolio of the Scheme to another Investment Portfolio within the Scheme under clause A12.8;

(e) amounts deducted in respect of PIE Tax that is or may be calculated, assessed against or payable by or in respect of the Member, or the Member’s interest in an Investment Portfolio or Fund and/or the Reserve Account; and any amount transferred from a Member’s Account to the Reserve Account under clause A21.2(c) (other than where that transfer or debiting is implemented through a transfer of Units); and
any other amount which the Trustees consider should be deducted from Member Accounts and/or the Reserve Account,
cancel the number of the Units of the relevant Member or held in the Reserve Account determined by dividing the amount deducted, transferred or withdrawn in respect of the relevant Investment Portfolio or Investment Portfolios by the relevant Unit Price or Unit Prices at which Units are issued on that day (provided that, for amounts deducted on account of Tax payable, the Trustees may use the same Valuation Day as the day on which they determine the amounts of attributed Tax to be deducted).

A19.11 Subject to Relevant Law, the Trustees may defer giving effect to a permitted withdrawal in respect of the Scheme or any transfer out of the Scheme, or any transfer between Investment Portfolios, if (and for so long as) the Trustees determine that, having regard to the realisation of assets required in order to make the withdrawal or transfer or the occurrence or existence of any other circumstance or event relating to the Scheme or generally, earlier withdrawal or transfer would be imprudent or is impracticable.

A19.12 Units issued against uncleared funds may be treated as void if the funds are not subsequently cleared.

A19.13 Subject to the requirements of the KiwiSaver Act and the Scheme Provider Agreement, Units that the Trustees determine have been issued in error may be treated as void unless a Member has altered his or her position in good faith to the Member’s detriment in reliance on the validity of those Units (in circumstances where relevant law does not require the Units to be treated as void).

A19A VALUATION

A19A.1 The Trustees will calculate the Net Value of each Investment Portfolio on each Business Day, or, subject to clause A19A.2, at such other intervals (not exceeding 30 Business Days) as they may determine, by deducting the liabilities attributable to that Investment Portfolio from the market value of its assets.

A19A.2 If, due to factors beyond their reasonable control, the Trustees cannot complete a valuation of each Investment Portfolio within 30 Business Days of the last valuation, the Trustees must calculate the Net Value of each Investment Portfolio on the first Business Day following those factors ceasing to exist.

A19A.3 The Trustees will determine the market value of each asset in the Investment Portfolio on such basis as it considers to be fair and equitable having regard to generally accepted accounting practice as defined in the Financial Reporting Act 1993 (except to the extent that the Trustees determine that they need not have regard to that practice) and may from time to time engage any valuers or other suitably qualified persons for the purposes of fixing the market value of any asset (but are not under any duty to do so).

A19A.4 The Trustees will determine the liabilities attributable to an Investment Portfolio on such basis as it considers to be fair and equitable having regard to generally accepted accounting practice as defined in the Financial Reporting Act 1993 (except to the extent that the Trustees determine that they need not have regard to that practice) and in doing so may (subject to clause A12.10):

(a) apportion the liabilities of the Scheme generally amongst the Investment Portfolios on such basis as the Trustees consider appropriate; and
(b) take account of each debt, liability, provision, cost, charge, expense and outgoing, contingent liability, provision, liability to Tax, unpaid remuneration, reimbursement or indemnity or other matter as they consider appropriate.

A19A.5 Notwithstanding clause A19A.1, the Trustees may exclude certain liabilities from the liabilities that are deducted from the market value of the assets of an Investment Portfolio. For example, but without limitation, the Trustees may exclude:

(a) PIE Tax where Units relating to a Member will be cancelled in respect of that liability; and

(b) amounts representing the interests of Members to the extent considered appropriate by the Trustees whether or not accounting practice requires those amounts to be treated as liabilities for accounting purposes.
